

Provision of Prescription Medicines Through Nomad Pharmacy Using Internal Prescribing Procedures

Nomad Pharmacy are happy to provide certain medications, first aid and sterile equipment for expedition purposes. This form ensures that you understand the responsibilities of handling Prescription Only Medicines and the circumstances under which they can be used.

Name

Home Address

- Prescription Only Medicines will be prescribed to the individual named above and once dispensed the medicines become the responsibility of this person.
- Prescription Only Medicines are prescribed for use on expedition outside of the UK only
- When in the UK, the Prescription Only Medicines should be stored safely and securely in such a way as to prevent unauthorised use
- Before any Prescription Only medication is used, we recommend that a medical professional be consulted, whether that is locally or via telecommunications
